

STUDENT MUSICIAN SPOTLIGHT

Recognizing New Mexico's Talented Youth

The New Mexico Music Commission is seeking nominations for its Student Musician Spotlight series.

about the student musician spotlight

The New Mexico Music Commission's Student Musician Spotlight was established in 2017 to honor the remarkable achievements of our state's talented and dedicated student musicians. Featured students will receive a certificate signed by Governor Lujan-Grisham and Department of Cultural Affairs Secretary Garcia y Griego and will be awarded gift certificates from our generous sponsors. Selected students will also be inducted into the showcase section of our website and featured on our Facebook page.

eligibility

Eligible students must be 18 years of age or younger and demonstrate the following qualities: outstanding character; positive attitude; exceptional respect for their family, peers, mentors, teachers, and elders; and extraordinary dedication to the study and performance of their musical instrument(s)/voice. This recognition is open to student instrumentalists, singers, composers, arrangers, and singer-songwriters. All musical styles and genres are accepted. Character and integrity are equally important as talent, playing ability, and dedication to music.

An individual shall be ruled *ineligible* to be featured in the Music Commission's Student Musician Spotlight series if they are related to a New Mexico Music Commissioner or an employee of New Mexico Arts.

nomination process

Nominations are accepted year-round on an ongoing basis. A new student will be featured approximately once a month, primarily during the traditional academic school year (September to May) and dependent on the number of eligible nominations received. The same student can only be featured once per academic school year. Students may not nominate themselves.

To nominate a student musician, fill out a *nomination form* and provide *all required documentation* as specified in the *guidelines* section of the nomination form. *Incomplete nominations will not be considered.* Upon acceptance, the parent/guardian will be contacted by email (the nominator will be cc'd) and asked to provide a head shot, bio, and short performance video of the student performing. The parent/guardian will also be required to sign a release form granting permission to publicly display these materials. We cannot feature a student without these material and we request that each nominator assist us in obtaining them.

timeline

Ongoing	Nominations sought year-round
Ongoing	Nominations reviewed by New Mexico Music Commission administration
September-May	No more than one student will be spotlighted per month during the school year
